

Any area not used for a person's living space, such as fields and orchards which are enclosed in order to protect the produce growing inside, can be carried in provided that it is not as large as two סאה בית. If it is two סאה בית or larger, he may only carry four אמות.

Even if the public uses a well surrounded by four L shaped boards as a thoroughfare, it does not need to be moved.

Some areas, although not a רשות הרבים such as a מבו open on two ends, or pits, ditches and caves, are considered רשות הרבים regarding טומאה (meaning a טומאה ספק in רשות הרבים is טהור).

The well areas are only permissible for animals of those who were עולה רגל, to make it easier for the עולי רגל to find and utilize feeding places for their animals.
