

## עירובין צ

It is מותר to carry on a ship even if it is an area larger than two בית סאה as it is considered an area that is lived in (an area larger than two בית סאה that is not lived in may not be carried within, even with an עירוב). If the ship is turned over on dry land, if it is larger than two בית סאה, it is אסור to carry within on שבת.

An אכסדרה (an unwalled area with a flat roof) in an open field as we say פי תקרה יורד וסותם (the roof comes down and forms walls).
