

כתובות ז

If the חתן unable to write a כתובה, he may give her guaranteed items (against loss or theft), until he is able to write a כתובה.

An animal whose spinal cord is split is considered a טריפה.

There must be at least ten men in order for שבעה ברכות to be said.

A man who marries a בתולה has seven days of שבע ברכות (during which, he may not work). A man who marries a בעולה has three days of שבע ברכות (everyone agrees he needs to be משמח with his new wife for three days; regarding שבעה ברכות there are different opinions, and a Rav should be consulted). If he himself has never been married, some say they observe seven days as well.

A person cannot be מקנה to someone who is not in the world. therefore, it is אסור to be מקנה to a fetus. ויש אומרים, a שכיב מרע can be מקנה to a fetus.

ברוך אתה ה' מקדש ישראל על ידי חופה--חתימה has a ברכת ארוסין וקידושין.

שבעה ברכות are not said during the ימי משתה unless there is פנים חדשות--a new face. שבת ויום טוב are considered פנים חדשות.
