

that was טמא that was then planted, the new plants are טהור, but the טמא תרומה that was planted may not be eaten (the ר"א says that the new plants may only be eaten by כהנים as they are גידולי תרומה).

גידולי תרומה are only מותר for כהנים, but they may be eaten with ידים טמאות, and they may be eaten by a טבול יום.

There was a small hole built into the ground next to the ramp of the מזבח, in which קרבנות that were פסול were placed.

A קרבן פסח that became טמא is burned immediately.

A קרבן that became פסול before זריקת הדם does not have its blood thrown.
