

דף יומי הלכה שבת סח

One who performs many תולדות of one אב מלאכה in one period of forgetfulness, he is only חטאת one חייב, or if he performed the אב מלאכה and one or more of its תולדות, he is only חטאת one חייב. For example, in one period of forgetfulness, one plants seeds (which is an אב זורע (מלאכה--זורע), then waters the field (which is a תולדה of זורע), he is חטאת one חייב.

A child captured and raised by non-Jews (תינוק שנשבו), is קרבן a חייב, חטאת on each and every עבירה, for example, every piece of forbidden meat he ate. Regarding שבת, however, he is only חטאת one חייב from each period of forgetfulness.
