

יומא ב

Seven days before יום כיפור the כהן גדול was separated from his house and taken to the ללשכת פרהדרין. This is a קבלה from משה רבינו. Similarly, seven days before the שריפת הפרה (of the פרה אדומה), the כהן who burned the פרה was separated from his home. This is a קבלה from משה רבינו as well.

The כהן who burned the פרה was purposely made טמא that day, and then was טובל.
