דף יומי הלכה שבת כו

The מחבר writes we may not light with טבל that is טמא (referring to both שבת and יום חוב). The ש"ך adds that טבל that is טהור is obviously also forbidden to be used for lighting.

The רמב"ם writes it is forbidden to light with נפט לבן (white naphtha) on שבת or חול because of danger.

A garment is not מקבל טומאה unless it is 3x3 fingerbreadths (one fingerbreadth is about a quarter of a טפח).

Only wool and flax garments can be מקבל טומאה. (and the warp and the woof, which although they do not hold finished garments, they hold processed wool and linen threads and can also be מקבל טומאה).
