

In order for a dwelling to be חייב a מזוזה, it must be a place in which a person can live. The רמב"ם writes that a cattle barn is פטור, while the שולחן ערוך holds such a place is חייב. Therefore, the שולחן ערוך writes, that all businesses/warehouses, should have a מזוזה.

A סוכה is פטור from מזוזה, as it is not a דירת קבע.
